§ 341(a) Meeting Date: 07/14/2016

Claims Bar Date: 09/01/2016

Major Activities Affecting Case Closing:

1. Reference is made to the docket for orders approving sale of assets which resulted in the liquidation and sale of all property assets with the exception of the remaining boundary line adjustment parcel of the Cordell building (which was in serious disrepair). Okanogan County Parcel No. 4027280080. This remaining parcel was abandoned by order approved by the Bankruptcy Court

2. There were grower and PACA claims that were in dispute and were the subject of litigation. A mediation resulted in a settlement and agreement. The order approving the settlement and compromise allowed for the trustee to make distribution on these claims which has been completed.

3. Related to the Grower and PACA claims, there was a holdback of 10% on the grower and PACA claims for 506(c) expense for which the maximum amount was 10% and the minimum amount was 3% pursuant to previous stipulated order of the BK court. The determination of the 506(c) expense was approved by the court after notice and opportunity for hearing.

4. The following escrow accounts and amounts were held in the Earl Law Group Trust account related to sale transactions and lease transactions conducted by the Trustee, which were disbursed to the Trustee (for further disbursement as was approved by BK order) as there was a final and formal close of each escrow:

- A) Chelan Fruit - Additional Storage Rent for Plant 2, \$195,582.35
- B) Loomis Orchard-Cook Orchard Sale - \$369,178.98
- C) Gausman-Oroville Cherries Sale, \$3,619.21
- D) Family Five Closing (portion of GF- Oroville Sale), \$22,500.00
- E) Oroville Reman and Reload Sale, \$50,000.00
- F) Nine Mile Orchard Closing Sale, \$186,779.52
- G) GF Oroville LLC Sale, \$17,500.00
- H) Northco LLC Sale, \$439,238.65
- I) Chelan Fruit Sale, \$90,000.00
- J) Bin Rental, \$10,000.00
- K) CA Storage Rent, \$25,000.00
- L) Cherdon Orchard-Thornton Sale, \$81,306.03
- M) Cherry Processing Facility Rent, \$13,500.00
- N) Gebbers/Chelan Fresh Advance Payment of final Profit Sharing Dividend \$74,906.02
- O) Sale of Crop on Trees, \$299,853.09
- P) Gebbers Storage/Pack Line Rent, \$60,200.00

5. From and after the date of filing, wire deposit transfers were made to U.S. Bank account from Chelan Fresh Marketing from the sale of fruit held in inventory. Disbursements were made periodically to trustee accounts for disbursement to U.S. Bank and to growers as set forth in Form 2. Amounts payable to growers and PACA claimants less 506(c) expenses have been disbursed by court order. The 506(c) determination was made and an order entered and the disbursement to grower and PACA claims determined any portion payable to U.S. Bank on their security interest (less the 10% retained by Trustee for the bankruptcy estate).

6. There were 71 proofs of claim filed. The claims of growers and PACA claimants have been determined by court order with the exception of the claim of GP Graders which is reserved for further determination.

7. There was a claim for insurance premium refund on unearned premium that was subject to dispute. The current premium refund in the amount of \$83,154.00 was rejected by the trustee. The Trustee claimed approximately \$11,199 in additional refund was due. The matter was involved in an audit review. Following the audit, the Trustee has received \$83,154.00, plus \$6,638.00 plus approximately \$10,000.00.

8. Asset No. 48 was reviewed and determined to be of no value.

9. The tax returns have been completed and filed.

10. There was a motion, declaration and notice filed seeking approval of a final disbursement to U.S. Bank on
